DISCOUNT CODES/COUPON CODES

What's a "coupon code"? How's that different from a "discount code"?

Coupon codes are an arrangement for a firm/company to pay (in part or in full) their employee's registration for the race. If your company is interested in providing a coupon code for its employees, contact Patricia Hevia at patricia.hevia@heart.org.

Discount codes range from 10-15% off current registration prices and offered through e-blasts and social media. These discounts usually occur around holidays (Valentine's Day, April Fool's Day, St. Patty's Day, etc.). Follow us on social media so you don't miss an opportunity to save!

When does my firm/company's coupon code expire?

All coupon codes expire on **Wednesday, June 3rd at 11:55PM**. This allows our team to pull all coupon code data, pre-assign bibs & pre-pack all race materials for teams of 10+ to be available at packet pickup, as well as create invoices for all teams using coupon code, to be sent out race week.

Can someone still join a corporate team after the coupon code has expired?

Yes, but they will have to pay for their registration personally and request a reimbursement from their employer. Their bib is also not guaranteed to be included with the pre-organized team bibs.

When does my discount code expire?

All discount codes expire on **Wednesday, June 3rd at 11:55pm**.

When will I receive an invoice for the registration associated with the coupon code?

All team captains will receive a final invoice no later than **Monday, June 15th at 11:59PM**.

When are coupon code payments due and how can I complete them?

Payments are due no later than **Wednesday, June 24th, 2020**. Payments can be made online by submitting a donation ([CLICK HERE](#)). Please include the name of your company under "Middle Name". A check can also be sent to the following address:

**American Heart Association

DONATIONS

Online, I can only donate \$25 or more. Why? And where can I make a smaller one?

The AHA appreciates any size donation. Online donations are required to be \$25 or more to offset the cost of processing.

However, we are happy to take smaller donations in the form of cash or checks. Those can be mailed/made payable to:

*American Heart Association
ATTN: Lawyers Have Heart
4601 North Fairfax Drive, Suite 700
Arlington, VA 22203*

Can I bring cash/check donations I've collected to the race or packet pick-up?

Yes. Cash or checks can be put in an envelope and turned in at packet pick-up or at the registration area from 6AM—8AM on race day.

Are registration costs for the race tax deductible?

No. Registration costs cover goods and services for the race. The fair market value is equal to the cost of registration; therefore, they are not tax deductible. Any donation made above the cost of registration is 100% tax deductible. Please consult your tax attorney for further information.

Do I have to fundraise to participate in LHH?

No, you do not have to fundraise to participate. During the registration process, a \$150 fundraising goal is associated with each person. That goal is not required, but highly encouraged. All proceeds go directly to the American Heart Association and you will be helping us support our mission; to be a relentless force for a world of longer, healthier lives.

PACKET PICKUP

I work for a participating firm/company, do I need to go to packet pickup?

If your firm/company is either a top sponsor, or if they have a team of 10+ participants (by Wednesday, June 3rd), your race materials may already be packed! Ask your Team Captain or check your team page for your # of teammates! Otherwise, you will need to pick up your own materials at packet pickup or the day of the race.

At packet pick-up, can I pick up a friend's bib?

Yes. All you must do is ask us when you get to packet pick-up. We do not need a note or ID to do this. We take you at your word that you've coordinated with your friend.

The 10K Race, 5K Run & 5K Walk start at 7:15AM. Runners and walkers will need to be lined up by 7:00AM. We suggest that you allow yourself enough time to find parking and line up at the proper pace sign. Please allow for additional time if you are registering or picking up your bib on site.

Is there a bag check at the race?

Bag check is available for **CLEAR BAGS** near the registration and bib pick up tents, beginning at 6AM. It is monitored by AHA volunteers and staff. However, please leave all valuables at home as the AHA cannot accept liability for lost, damaged, or stolen items.
